9. Please tell us a short story about someone who has benefited from this funding.

Sam* presented to Homeless Legal at a tipping point in his life. He was facing fines and criminal charges in multiple states while sleeping rough and battling substance abuse. With the support Homeless Legal and his case worker, Sam entered a payment arrangement for his fines that ensured additional fees did not continue to accrue. He was

also able to get the legal advice he needed including clarification about how his matters would be dealt with interstate. Sam felt more confident entering a detox treatment facility knowing that his legal matters were under control and that he has someone to assist him with his next steps once his treatment is completed. Importantly, Sam received help at a community centre which was already familiar to him. There was no need for him to attend

a foreign – and potentially intimidating – lawyer's office. This also made it easy for his case worker to attend for moral support and to help Sam with follow up actions.
